Template Page

Want to start a fundraiser? We are happy to help!

This page is a guide with tips and tricks to help you start your fundraiser. You can either copy-paste or give it your own twist!

Be a role model!

Be the first one to donate and get that ball rolling!

What's your story?

Why are you starting this fundraiser and why should others donate?

Don't be afraid to ask.

Asking for money might feel weird, but it's for a good cause! Start with the ones closest to you and your local community. Ask them to support and share so others will follow!

Say thank you.

Always show gratitude to the ones who helped you. You can do this personally or through your fundraising page if you use one.
